Dear Mr. Von Hermann:

Re: Memorandum of Option to Purchase Young Tract for swap  
of USFS Tract 60-d, McCormick County, South Carolina

Enclosed is the original recorded Memorandum listed  
above. Also included is an original of the plat of the Young  
tract which you requested.

Thank you for contacting Mr. Doug Hattersley. We met in  
my office last Tuesday morning. I gave him copies of several  
different royalty schedules, which we have used in the past.  
I hope the information provided will be of some value as the  
Forest Service makes a decision, as to retaining a royalty  
percentage for swapping tract 60-d.

I look forward to hearing from you upon completion of  
the document for committal. If I can be of any further  
assistance please give me a call.

Sincerely,

BP Minerals America
